

**"South Hampshire 16mm & G Scale Railway Group.  
Incorporating "Southdown Railway Co."**

(Associate members of Fareham & District Model railway Club.)

Hello everyone, I trust you are all keeping well and managing to keep your feet dry these damp days. I doubt much work is being done in your gardens. I know I have done little outside lately.

I have booked a Southdown "engineering" day at Totton church hall, St Winifreds, on Saturday 28 February there may be some opportunity for loco testing after lunch but be prepared to work around the maintenance gangs.

**For Sale.**

**45mm Accucraft full cab 2 cylinder live steam, Shay loco. The loco has a boiler sight glass and refilling valve. Comes in a purpose built wooden carrying case with lifting cradle. Excellent runner only being sold to finance new loco purchase.**

**Offers around £900 ?**

**45mm Pearse Colorado 2-6-0 loco, brand new unused loco, with used tender that includes whistle and bell sound unit. Fully radio controlled. The boiler is of the new type with water sight glass.**

**Offers around £1350. ( well below normal retail )**

**Southdown bookings for 2004**

Still no confirmation regarding Matlock but the roster is slowly filling for this years shows. There are still places for 32mm runners.

Thanks again for all your support.

See you soon.
