

1 October 2003

**"South Hampshire 16mm & G Scale Railway Group.  
Incorporating "Southdown Railway Co."**

(Associate members of Fareham & District Model railway Club.)

Another great show at Romsey, one of our best ever I think with all trains running reliably and on time. The re-worked 32mm track was a success and I believe appreciated by the 32mm operators.

From Romsey we went on to David and Sue Dowson's the following weekend and were again blessed with wonderful weather and a most enjoyable afternoon, I'm sure the other visitors will join me in thanking David and Sue for their generous hospitality. We even helped David with his planning application for a proposed railway extension. I ran the BC Rail RDC which does need large clearances but it worked ok and left an exhaust trail behind it.

Last Sunday David Fleetwood picked me up for a trip to Richard Ince's Garden Railway open day at his West Meon home. If you have not been there then this is something you must see when you get the chance. It is a large LGB set up, with huge model bridges and the most amazing collection of trains I have ever seen. David and I ran live steam very successfully despite some very tight ( LGB #1 ) bends and a few bumps in the track bed. We suffered no derailments or running problems and David took some interesting film of the trains approaching along the long straight track to the main station area.

We are now on for Exbury Gardens but it looks like a Saturday morning set up session which may be a bit constrained but we'll see.

John Masters has a few items for sale please see attached list and if you are interested in making a purchase give John a call on 01404-815167 or email him at [jcr\\_masters@hotmail.com](mailto:jcr_masters@hotmail.com).

Thanks again for all your support.

Remaining events for 2003

4/5 October.....Exbury Gardens Show, (Southdown)  
18 October.....Chicester (Southdown)  
1 November.....Exeter (Southdown)

Remember to book your running slots early so that I can advise exhibition organisers of numbers and what loco's for insurance purposes. See you soon.

Friday dates are;

10 October.  
14 November  
12 December

*Red.*
